Antonio Reynoso

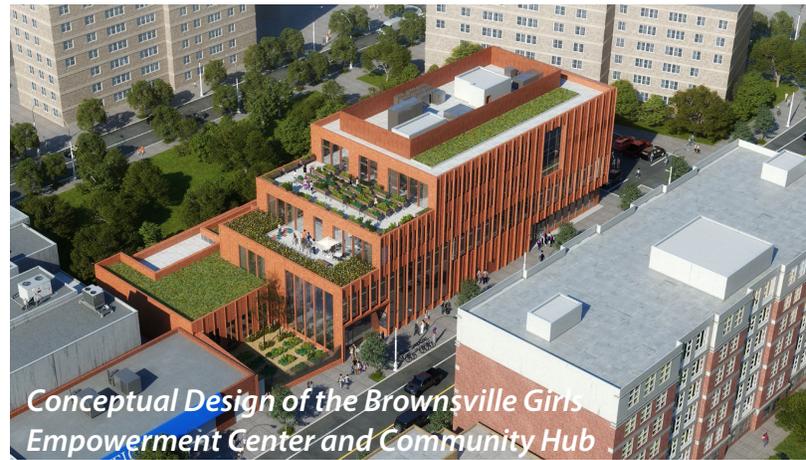

Invites you to attend

Construction Career & M/WBE Expo for the Brownsville Girls Empowerment Center and Community Hub

Come learn about the new, to-be-constructed 60,000 SF Brownsville Girls Empowerment Center and Community Hub, located at 444 Thomas S. Boyland Street, and ways you can get involved!

Why Attend?

- › Connect with programs that provide training, apprenticeship, and access to careers in skilled construction trades
- › Meet General Contractors with upcoming work in the neighborhood
- › Engage with union representatives and construction trade partners building the new facility, including mechanical, electrical, plumbing, carpentry, and more
- › Learn about upcoming M/WBE contracting opportunities in Brooklyn
- › Obtain assistance with resume building

Conceptual Design of the Brownsville Girls Empowerment Center and Community Hub
